

Show us how you keep your smile healthy!

Enter the Kansas Dental Association's

Class Project Contest

3rd & 4th Grade Teachers: You can promote dental health & win!
This year's theme is "Sealants Make Sense"

Help your students create a class project depicting this theme for a chance to win a **\$100, \$250, or even \$500 gift card** to buy supplies for your classroom!

- **BE CREATIVE!** Integrate art, technology, science, music, PE, or any of your other favorite subjects to show us how you're promoting good dental health practices in the **3rd or 4th Grade** classroom! Feel free to include other school staff.
- **BE BOLD!** Make a 2-3 minute video production or slide show and send your submission to KDA Communications Coordinator, Sandra Romero, by email at sandra@ksdental.org or by standard mail by **Friday, March 11, 2022**.
- **BE YOU!** Your creativity will be on display on the KDA web site and social media pages! Visit ksdental.org for contest updates, and don't forget to follow us on Facebook and Twitter!
