# BlueSelect Plus Network (Plans: Options D and E)

## BlueSelect Plus Network (Plan Options D & E)

<p>1. When receiving care in the BlueSelect Plus network (Clay, Clinton, Jackson and Platte counties in Missouri, and Johnson and Wyandotte counties in Kansas).</p>	<p>You have in-network coverage when using any of the 4,100+ providers in the six area counties and ten hospitals in the network.  <b>Important note:</b> All other hospitals (and their providers) in the Kansas City metro area that are not in the BlueSelect Plus network are considered out-of-network.  <b>Emergency services are always covered at the in-network cost share.</b></p>
<p>2. When receiving care outside the BlueSelect Plus network within the 32-county Blue KC service area.</p>	<p>No coverage except for emergency services. You will be responsible for 100% of the costs.</p>
<p>3. When receiving care outside the 32-county Blue KC service area (when traveling or on vacation, for example).</p>	<p>You have access to the BlueCard network which provides you in-network access to medical care. If you use a non-BlueCard provider, you do not have out-of-network coverage except for emergency services.</p>
